

# 2014 CALGARY OPEN DOUBLES

Women's Open Champions

Erin, Miranda, Jackie, Jaime

Jackie and Jaime played great and won the Ladies Open despite the best efforts of Erin and Miranda who were playing together for the first time. Jackie and Jaime kept the pace up, played very steady and were very worthy winners. I could tell they did not want to have any 15-14 games as that seemed to be the specialty of Erin and Miranda after having won their semifinal against Kelsey and Anna with 3 consecutive 15 to 14 games!

# 2014 MENS CHAMPS

Keith, Craig, Danny, Rob

Craig and Danny won this final 3 games to 1 over a very spirited Keith and Rob. At first glance one might have thought that Craig was playing Keith and Rob by himself as the ball was consistently played his way. The only problem with attacking Craig like that was that he only got better and better at absorbing the pace thrown at him. Every once in a while the ball would come Danny's way ( just enough to keep him awake ) and you would understand why they did their best to avoid hitting the ball Danny's way.

The action was fast and furious with all 4 players putting on a great display of skill and tenacity. It should be noted, however that this was Danny's 4th or 5th doubles game of the year!

Congratulations to Craig and Danny with Craig now part of the winning team 3 years in a row.

## Mixed Open Final

Jackie and Rob were very strong throughout the tournament and successfully defended their mixed title but Jaime played very strong to keep the Jaime/Mike combo in the hunt. Jaime and Jackie would go on to win the ladies open while Rob would lose in the Mens open final. The Glencoe club had strong representation (they can hardly wait for their doubles court to be completed) in this mixed final and it was a pleasure to watch Jackie and Jaime play.

Bonus points if you can pick out the oldest member of this foursome!

## Mixed B Final

Imagine that these couples managed to play together and be successful with Reg and Leslie defeating Marietta and Jorge in the final. Although I didn't see it I heard it was a very lively and spirited match.

Congrats to both teams for very good play

## “In Our Dreams”

Step on to the court, feeling a little tight.  
Shuffle my feet to the left and then to the right.  
Adjust my grip not too tight, not too soft,  
Must hold it so perfect to get the right loft.  
The ball starts to fly I am seeing it well.

My reverse boast and crosscourt are feeling real swell .

I try a lob and hit it just right, Oh what a feeling, this is my night.  
My partner is perfect we feel really great, the beers will taste perfect,  
we can hardly wait.

The harder we hit it, the better we get.

But there is one little problem.. We are not even done our warm up  
yet!!
